

ARLON

► PerformancePlus

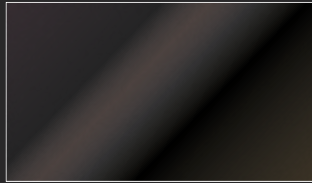

PerformancePlus is a high performance ultra-conformable film that allows you to transform the color of your vehicle with multiple finishes and colors. PerformancePlus is the perfect film for a full vehicle color change wrap or custom accents. The repositionable, light-gray adhesive combined with the new LX (low profile) X-Scape Technology provides installers a bubble-free easy installation with a smooth, paint-like finish.

For more information on PerformancePlus, click [here](#).
